

January-February 2024

Hello to all our faithful partners,

We are excited to be writing to you for the first time in 2024! We are excited to see what the Lord does in this new year! I don't know about you, but I feel like the times are looking just right for Jesus to take away His bride! As war and compromise surrounds us, we know this world is ready for the Antichrist! I just pray that we, the Church, are ready for Christ! I want to see Jesus, but until then we will do our best to continue serving Him!

Furlough Update: The Lord has been so good to the Hill family since arriving stateside on December 21st. We have traveled over 4,500 miles and been with 17 churches! Each one has been a blessing to us and encouraged us. I have been privately asking the Lord to allow us to see 15 new supporters, and we have seen 5 so far! We give God the Glory for this! Please continue to help us pray the Lord would work in the heart of 10 more churches, to partner with our family in reaching the Guatemalan people! We have meetings booked every Sunday between now and the middle of May. We do have a few Wednesday nights open. The Lord put these meetings together for us, and I am grateful for every church and Pastor that has allowed or will allow us to stand and present or preach! We have also had a few opportunities to share the Gospel with some Spanish people while here in the states. My heart has been burdened about the need for Spanish churches here. Who will take this need and do something? Someone must reach them!

The work in Guatemala continues to grow strong, however after being gone for 2 months I can sense a little bit of sadness in our people. They miss us and we miss them. However, faithfulness to the Lord must remain our goal! I believe the Lord is blessing our assistant and his family during this time. It has been good for him to see the ministry on this level. Please continue praying for the Sanchez family!

Family Update: We are so close to the arrival of our little Mila Lynn! I am so excited to be able to have another baby girl to spoil! Our kids are ecstatic and can't wait to spoil and care for her! Mrs. Melissa has been praying that she could go full term and into labor on her own. She has always been induced because of blood pressure issues. However, her blood pressure has been good so far! Please pray for her! My wife is such a great help and blessing to our home and ministry. In a world where it seems that moms and wives are becoming miserable in the ministry, motherhood, and marriage, the Lord has given her satisfaction in HIM and being what HE desires and not what this world thinks is best! We praise the Lord that Madelyn is doing better after the pneumonia she had. We currently only lack \$1,800 to pay off the emergency room and hospital bills!

NEW VIDEO UPDATE AVAILABLE: The Lord has been good to us with our building fund. We have just over 25% of what is needed for a building and wall around our property. Please help us pray for this! We have included a QR code that you can scan to watch a video presentation/update video from our family! If you are a supporting Pastor, I ask that you would consider showing it to your church so they can see firsthand how the Lord is using our family and YOUR CHURCH in reaching Guatemalans! We give God the glory for what He has done and the great things He has in store!
