Dear Praying Friends,

Setting the captives free through the preaching of the gospel of Christ. This is what the ministry of reconciliation is all about. What good is religion, if you don't know the God and Father of our Lord Jesus Christ? What good is religion, if you are not sure of your own salvation? The world is full of people who are extremely religious, but when it comes right down to it, they are afraid of death and eternity, because they have never heard of the assurance of salvation we have in the gospel of Christ, which is the power of God unto salvation to everyone who simply believes.

We are happy to report the establishment of 4 new church plants in Chiapas in the following towns and villages: Chamumun, Mocolotantil, Corazon De Maria, and Santa Elena. God is so good! This is God's blessing which He has promised upon the preaching of the gospel of His dear Son. Let him that is thirsty come. And whosoever will, let him take the water of life freely. I am amazed at what happens when we present the water of the gospel of life freely; completely free, nothing in return. And to think that God uses base, weak, foolish sinners like me to present the water of life freely, is more than I can comprehend; it is too great for me.

So far, God has blessed us with 10 radio stations (we are currently building 2 more in Mexico), and over 40 churches in Mexico, and Peru. Glory to His Name! Someone said that God can draw a straight line with a crooked stick. Well, by the power of the gospel of His dear Son, we are the crooked stick that God uses to draw a straight line. All I can say is – preach the gospel of Christ, and hang on, because God is gonna do something big! I conclude that God is faithful, because He knows I am not.

Thank you for your friendship, love, prayers, and support.

Grace Be With You,
Tom Sloan
