Dear Praying Friends,

We think radio is the best thing since sliced bread, because through radio, we can reach hundreds of thousands of listeners with the gospel of Christ. The radio ministry affords us the opportunity to go behind doors, and preach the gospel to people in places which would otherwise be closed to us. God has allowed us to see many people saved, and several churches planted through the power of the gospel which is preached on our radio stations. God has given us 8 radio stations in Mexico, and 2 in Peru. As you know, we are building a new radio station in Sonora, Mexico. Just yesterday, we broke ground and began construction of a studio and transmitter room for a brand-new radio station in Santo Tomas, Chiapas, Mexico. We will be able to reach many listeners with the gospel in Southern Chiapas and Northern Guatemala with this new radio station which will be named Bethel Radio. We need about \$14,000 to purchase the necessary equipment for this new radio station. Would you prayerfully consider helping us with an offering for this new radio station?

Pedro lives in Larrainzar, Chiapas, and has been listening to Compassion Radio 104.3 F.M. since 2012. In 2016, Pedro asked us to come to Larrainzar, and organize a group of believers he had been preaching to, into a church. Pedro has been a faithful pastor, and about 3 months ago, God led and used him to plant a new church in the close-by village of Plátanos. Both of these churches are the fruit of Compassion Radio. Truly, the Word of God is not bound. And I say – radio is the best thing since sliced bread.

We pray for you, and thank you for your faithful friendship, prayers, and financial support.

**Let's build another radio station!**

Grace Be With You,  
Tom Sloan
